

Downtown Women's Medical Center

A Comprehensive, Women's Health and Wellness Center
A Source for LIFE in North Texas

Our Calling: "Plant the good seeds of righteousness, reap the fruit of unending love, and break up your unplowed ground; for now is the time to seek the LORD, that He may come and shower His righteousness upon you." Hosea 10:12

Our Goal: To serve the North Texas community through a first-rate, fully comprehensive women's whole health clinic as a truly incomparable alternative to Planned Parenthood.

Services to be provided:

- Well woman check-ups
- Sexual health testing, treatment and education
- Pre-abortion consultations with options counseling
- Early preventative and ongoing prenatal care
- Needed social services and broad-based education for successful pregnancies and parenting
- Counseling and educational support for mental and emotional health
- Offered in a Christ-centered environment through the hope of the Gospel and empowerment of the Holy Spirit.

Our Promise: "Behold, I am doing a new thing: now it springs forth, do you not perceive it? I will make a way in the wilderness and rivers in the desert." Isaiah 43:19

Our operations are audited annually by an outside accounting firm. Copies of our most recent audited financials are gladly provided at your request. Additionally, our audited financial and operating records are reviewed by two additional professional organizations: ECFA (Evangelical Council for Financial Accountability) and Excellence in Giving, who has awarded IFLI with their Seal of Transparency.
